## THAT'S GOOD HR NAMED ONE OF THE BEST PLACES TO WORK IN INDIANA 2019

**INDIANAPOLIS** – [That's Good HR, Inc.](#) was recently named as one of the Best Places to Work in Indiana. This 14th annual program was created by the Indiana Chamber of Commerce and Best Companies Group. It is the second time the WBE staffing firm has entered and the second time it has received this honor.

The statewide survey and award is designed to identify, recognize and honor the participating employers in Indiana with the leading workplace cultures. The list is comprised of 125 companies. That's Good HR is in the category of small companies with 15 – 74 employees along with 52 other companies. A full list of winners can be found on the [Indiana Chamber of Commerce website](#).

"We have many tremendous employers in the state, so it's great to see more and more companies take part in this effort to evaluate their workplace cultures and gain the recognition they deserve," says Indiana Chamber President Kevin Brinegar. "These companies consistently demonstrate to their employees how much they value their contributions."

To be considered for participation, companies had to fulfill the following eligibility requirements:

- Be a for-profit, not-for-profit business or government entity;
- Be a publicly or privately held business;
- Have a facility in Indiana;
- Have at least 15 employees working in Indiana;
- Be in business a minimum of 1 year.

Companies from across the state entered the two-part survey process to determine the Best Places to Work in Indiana. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final rankings. Best Companies Group managed the overall registration and survey process in Indiana, analyzed the data, and determined the final rankings.
